

January	February	March	April	May	June	July	August	September	October	November	December
Trichophaga tapetzella			00413						Through year indoors		
Monopis dorsistrigella			00416						June- August		
Monopis monachella			00418						Late July - Early August		
Psyche casta			00437						Late June		
Thyridopteryx ephemeraeformis			00457						September- October		
Philonome clemensella			00462						July - August		
Bucculatrix simulans			00490						Late April		
Caloptilia azaleella			00592						June		
Caloptilia belfragella			00594						Late August		
Caloptilia bimaculatella			00595						July		
Caloptilia blandella			00596						June		
Caloptilia negundella			00615						August		
Caloptilia ostryaeella			00618						Late June - August		
Caloptilia stigmatella			00639						August		
Caloptilia superbifrontella			00641						September		
Caloptilia umbratella			00642						June		
Caloptilia violacella			00644						July - August		
Parornix spp			00686.97						September		
Cremastobombycia ambrosiella			00720						August		
Phyllonorycter basistrigella			00738						September		
Phyllonorycter ceitifoliella			00742						April		
Phyllonorycter lucetiella			00764						September		
Phyllonorycter lucidicostella			00765						August - October		

January	February	March	April	May	June	July	August	September	October	November	December
Phyllonorycter mariaeella			00769								
Phyllonorycter morrisella			00773						June & September		
Phyllonorycter propinquella			00784						July		
Phyllonorycter robinella			00790						August		
Cameraria caryaefoliella			00811						July		
Cameraria cincinnatiella			00815						July - August		
Cameraria guttiferella			00822						October		
Cameraria hamameliella			00824						September		
Chrysaster ostensackenella			00842						August		
Porphyrosela desmodella			00843						August		
Phyllocnistis insignis			00846						July, September - October		
Phyllocnistis populiella			00852						August		
Agonopterix hyperella			00856						August		
Agonopterix curvilineella			00859						July - August		
Agonopterix clemensella			00862						May - August		
Agonopterix pulvipennella			00867						May - August		
Agonopterix alstroemeriana			00874.1						July - August; October		
Agonopterix flavicomella			00880						June		
Agonopterix robinella			00882						June - October		
Agonopterix thelmae			00884						July - August		
Agonopterix argillacea			00889						October		
Agonopterix nebulosa			00894						May - June		
Depressariodes gracilis			00902						March - April; July		
Semioscopis packardella			00912						April		

January	February	March	April	May	June	July	August	September	October	November	December
Blastobasis yuccaeolella			01154						September		
Pigritia spp			01238.97						August		
Coleophora malivorella			01254						May		
Coleophora atromarginata			01257						June - July		
Coleophora querciella			01261						Late June - August		
Coleophora monardella			01268						May		
Coleophora limosipennella			01301.1						June - August		
Coleophora lineapulvella			01349						August		
Coleophora cratipennella			01365						July - September		
Coleophora bidentella			01368						August		
Coleophora mayrella			01387						May - July		
Coleophora trifolii			01388						June - September		
Coleophora apicalbella			01389						June - July		
Coleophora deauratolla			01398.2						June		
Chedra pensor			01418						May		
Mompha capella			01432						June		
Mompha circumscriptella			01434						May - October		
Mompha definitella			01440						July		
Mompha eloisella			01443						May - August		
Mompha murtfeldtella			01448						June		
Euclementia bassettella			01467						May - September		
Cosmopterix pulchrimella			01472						June - August		
Cosmopterix gemmiferella			01490						June - July		

January	February	March	April	May	June	July	August	September	October	November	December
Cosmopterix clemensella			01493						June - July		
Stagmatophora wyattella			01509						May - August		
Limnaecia phragmitella			01515						June - August		
Triclonella determinatella			01527						August		
Walshia miscecolorella			01615						May - November		
Walshia amorphella			01616						October		
Walshia exemplata			01618						June		
Metzneria lappella			01685						April - August		
Metzneria paucipunctella			01686						July - August		
Isophrictis rudbeckiella			01700						August		
Chrysoesthia sexguttella			01719						June - August		
Theisoa constrictella			01722						May - June; August		
Stereomita andropogonis			01725						September		
Aristotelia fungivorella			01738						June		
Aristotelia roseosuffusella			01761						June - October		
Coleotechnites invictella			01814								
Coleotechnites thujaella			01832						July		
Taygete attributella			01842						July		
Arogalea cristifasciella			01851						April - August		
Telphusa latifasciella			01857						June		
Deltophora glandiferella			01927						June		
Gnorimoschema gallaesolidaginis			01986						August - October		
Scrobipalpula psilella			02018.1						May		
Euscrobipalpa artemisiella			02025.1						July		

January	February	March	April	May	June	July	August	September	October	November	December
Anacamptis levipedella			02241						August		
Helcystogramma hystricella			02268						June; August		
Brachyacma palpigera			02272						July		
Dichomeris ligulella			02281						April - October		
Dichomeris ventrella			02287						July - August		
Dichomeris ochripalpella			02289						June - August		
Dichomeris aleatrix			02291.1						June		
Dichomeris citrifoliella			02292						August		
Dichomeris costarufuella			02293						July		
Dichomeris flavocostella			02295						May - August		
Dichomeris inserrata			02297						June		
Dichomeris pelta			02297.1						September		
Dichomeris juncidella			02298						May - June; August		
Dichomeris setosella			02302						August		
Dichomeris vindex			02302.1						June - July		
Dichomeris simplicella			02303						July		
Carposina sasakii			02314						June		
Epermenia imperialella			02325						June		
Glyphipterix quadragintapunctata			02338						July		
Diploschizia habecki			02353						August		
Plutella xylostella			02366						April - October		
Ypsolopha nella			02388						Late June - August		
Atteva pustulella			02401						March - November		

January	February	March	April	May	June	July	August	September	October	November	December
Swammerdamia caesiella			02413						June		
Yponomeuta multipunctella			02420						Late May - July		
Argyresthia subreticulata			02479						July		
Argyresthia oreasella			02467						Late June - August		
Neoheliodines nyctaginella			02502						July		
Neoheliodines cliffordi			02502.1						June - July		
Aetole tripunctella			02505								
Schreckensteinia felicella			02508						July		
Paranthrene simulans			02527						May June		
Albuna fraxini			02532						July		
Melittia cucurbitae			02536						April - November		
Synanthedon acerrubri			02546						July		
Synanthedon scitula			02549						May - July		
Synanthedon pictipes			02550						June, August		
Homadaula anisocentra			02353						August		
Synanthedon acerni			02554						April - August		
Synanthedon exitiosa			02583						May - September		
Carmenta bassiformis			02596						June		
Brenthia pavonacella			02627						May, July, September		
Prochoreutis inflatella			02629						June - September		
Prionoxystus robiniae			02693						April - October mostly June - July		
Prionoxystus macmurtrei			02694						April - July		
Episimus argutana			02701						May - August		
Episimus lagunculariae			02702.4						October		

January	February	March	April	May	June	July	August	September	October	November	December
Olethreutes nitidana			02775						July - August		
Olethreutes furfuratum			02776						July - August		
Olethreutes fraternanum			02779						June - August		
Olethreutes atrodentata			02785						May - July		
Olethreutes punctatum			02786						June - September		
Olethreutes connectum			02787						May - June, August - September		
Olethreutes inornatana			02788						June - August		
Olethreutes exoletum			02791						June - September		
Olethreutes tilianum			02795						July - August		
Olethreutes clavata			02799						July - August		
Olethreutes mysteriana			02799.1						July		
Olethreutes nigranum			02800						July - August		
Olethreutes viburnanum			02801						July		
Olethreutes merrickanum			02803						Mid June - Mid July		
Olethreutes hamameliana			02804						June - August		
Olethreutes corylana			02805						July		
Olethreutes fagigemmeans			02809						July		
Olethreutes sericoranum			02810						July		
Olethreutes valdanum			02812						May - Mid August		
Olethreutes permundana			02817						June - July		
Olethreutes malana			02820						July - August		
Olethreutes appendiceum			02821						June		
Olethreutes concinnana			02822						June		

January	February	March	April	May	June	July	August	September	October	November	December
Olethreutes fasciatana			02823						June - August		
Olethreutes exaeresimum			02825						June - August		
Olethreutes lacunana			02826						June - July		
Olethreutes griseoalbana			02828								
Pristerognatha fuligana			02831						May		
Olethreutes albiciliana			02832						July		
Olethreutes coruscana			02838						May - June		
Olethreutes deprecatorius			02844						June		
Olethreutes glaciana			02847						August		
Olethreutes bipartitana			02848						September		
Celypha cespitana			02859						June - August		
Metendothenia separatana			02860						August		
Hedya ochroleucana			02861						August		
Hedya chionosema			02863						July		
Evora hemidesma			02866						May- August		
Spilonota ocellana			02906						August		
Phaneta radiatana			02908						May - July		
Phaneta albertana			02909						August		
Phaneta umbrastriana			02913						May		
Phaneta formosana			02916						May - August		
Phaneta corculana			02918						May		
Phaneta autumnana			02925						August		
Phaneta ochrocephala			02927						August		
Phaneta raracana			02928						June - August		

January	February	March	April	May	June	July	August	September	October	November	December
Eucosma derelicta			03120						August		
Eucosma wandana			03122						May - August
